

## Variant Correspondences

P. 019

### Vowel Digraph Baseball

#### Objective

The student will identify variant correspondences in words.

#### Materials

- ▶ Vowel digraph reference baseball bat
- ▶ Word baseball game board
- ▶ Baseball pattern

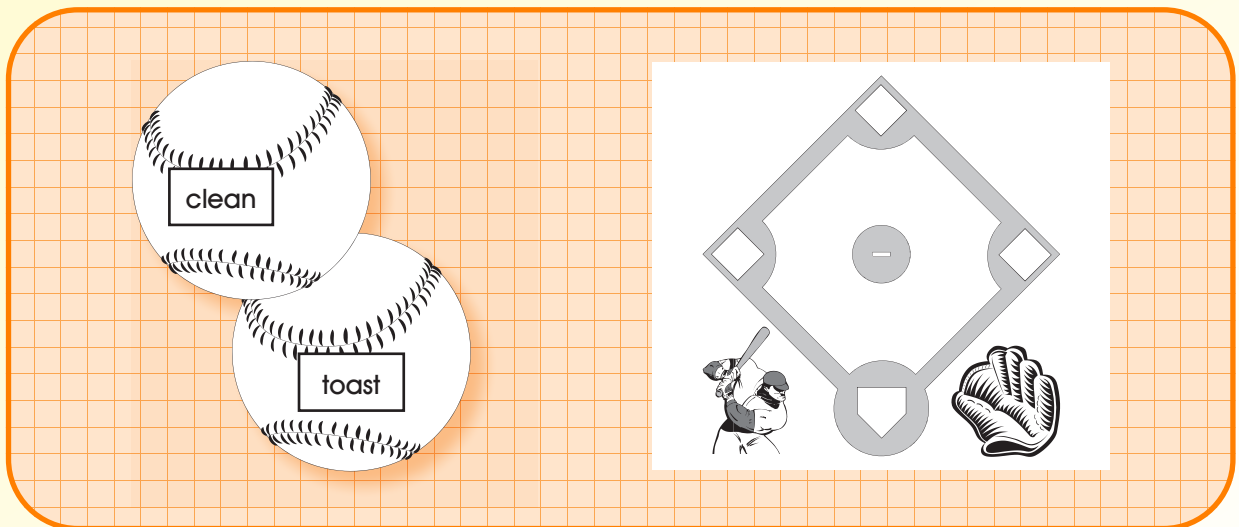

*Copy enough baseballs for all target words. Write target words or glue selected word cards to baseballs.*

- ▶ Word cards
- ▶ Game pieces (e.g., counters)

#### Activity

**Students identify vowel digraphs in words by playing a baseball game.**

1. Place game board, vowel digraph reference baseball bat, baseball word cards face down, and game pieces at the center.
2. Student one, the pitcher, selects the top baseball word card and reads the word aloud (concealing it from student two).
3. Student two, the batter, repeats the word, identifies the vowel sound, and vowel digraph (using the vowel digraph baseball bat if needed). For example, student repeats “toast, /ō/, oa”).
4. If correct, advances to base. If incorrect, pitcher states correct vowel digraph and the batter receives an out.
5. Continues to move around the bases as vowel digraphs are correctly identified.
6. After three outs or two runs, switch roles. Depending on time, innings may be limited.
7. Peer evaluation

#### Extensions and Adaptations

- ▶ Play using other word cards.
- ▶ Sort the baseball word cards (e.g., by digraphs, phonemes, blends, final sounds).
