

Word Express

Objective

The student will identify the meaning of words in context.

Materials

- ▶ Question cards

If words in this activity are not appropriate for your students, use words that are more applicable. Note: First word underlined is the target word and the second is the answer.

Activity

Students identify the meaning of target vocabulary by responding to questions.

1. Place question cards face down in a stack at the center.
2. Working in pairs, student one selects the top card from the stack and reads the sentence to student two (without revealing it). For example, “If a farmer has to prod the cow to move, does he sing to it or push it?”
3. Student two states the answer (i.e., push it). Student one checks to see if the answer is correct by looking at the second underlined word or phrase.
4. If correct, student one gives the card to student two who keeps the card. If incorrect, student one states the correct answer, shows the card to student one and places it at the bottom of the stack.
5. Reverse roles.
6. Continue until all cards are read.
7. Peer evaluation

“If a farmer has to prod the cow to move, does he sing to it or push it?”

“The farmer would have to push the cow to make it move!”

If a farmer has to prod the cow to move, does he sing to it or push it?

Extensions and Adaptations
