

Objetivo

El estudiante identificará las letras del alfabeto.

Materiales

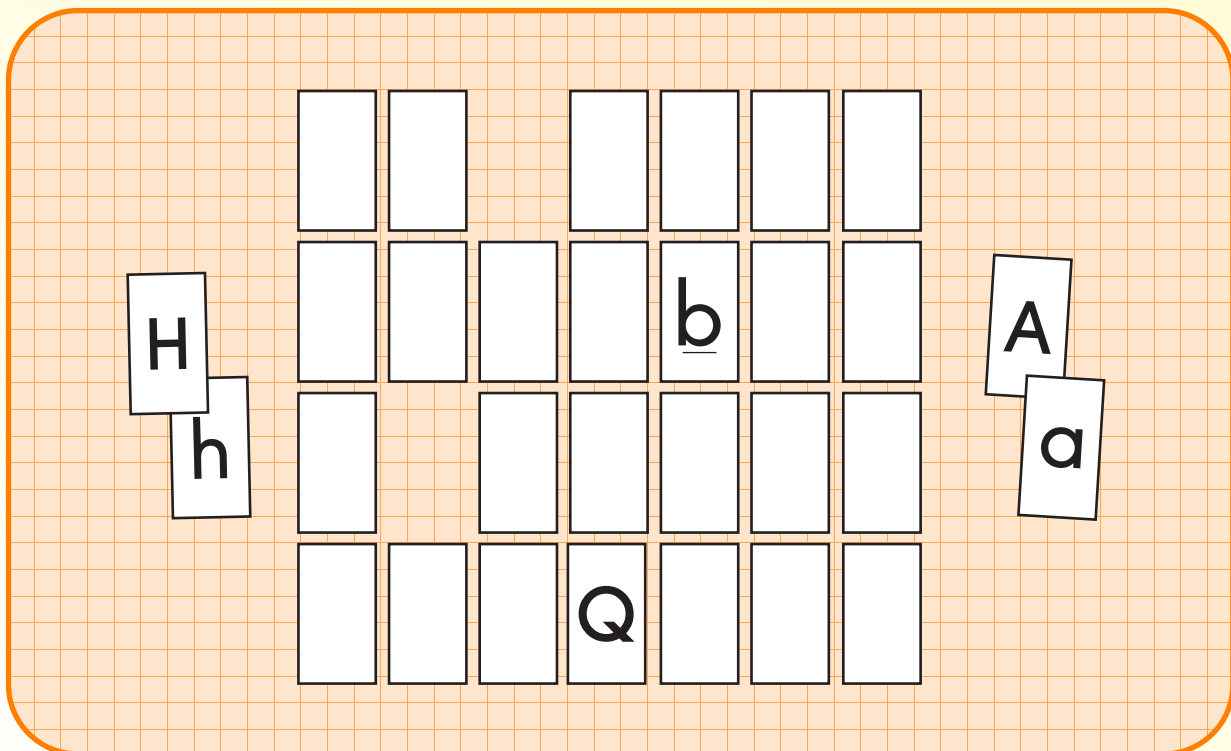

- ▶ Tarjetas de letras en mayúsculas y minúsculas.
Elige de ocho a diez pares de letras en mayúsculas y minúsculas.

Actividad

Los estudiantes emparejan letras mayúsculas y minúsculas mientras juegan a un juego de memoria.

1. Separa las tarjetas de letras mayúsculas y minúsculas. Coloca las tarjetas boca abajo en diferentes filas.
2. Por turnos, los estudiantes seleccionan dos tarjetas y nombran la letra de cada una (por ejemplo, "H, h" o "b, Q").
3. Determina si hay una coincidencia de letras. Si hay una coincidencia (por ejemplo, H, h), recoge las tarjetas, colócalas a un lado y toma otro turno. Si las tarjetas no coinciden (por ejemplo, b, Q), devuélvelas a sus posiciones originales y permite que tu compañero tome un turno.
4. Continúa hasta que se emparejen todas las cartas de letras.
5. Evaluación por pares

Extensiones y Adaptaciones

- ▶ Jugar usando otras letras objetivo.
- ▶ Hacer coincidir letras con tarjetas de imágenes de sonidos iniciales.
