The Journey to Effective Literacy Leadership Professional Learning Series

Literacy and Leadership

Professional Learning Series

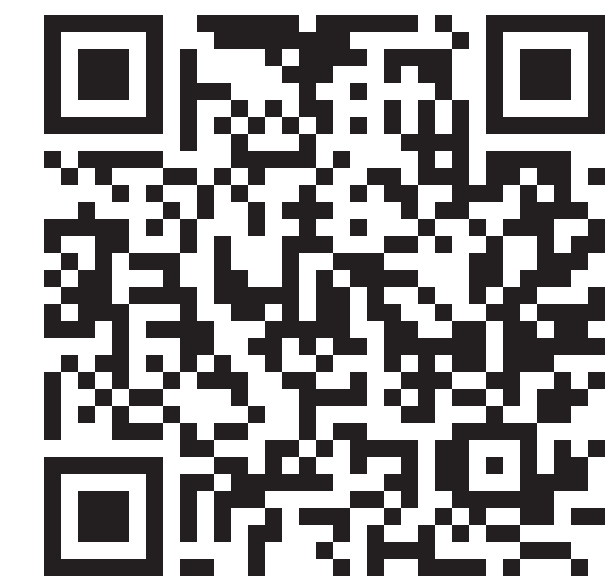

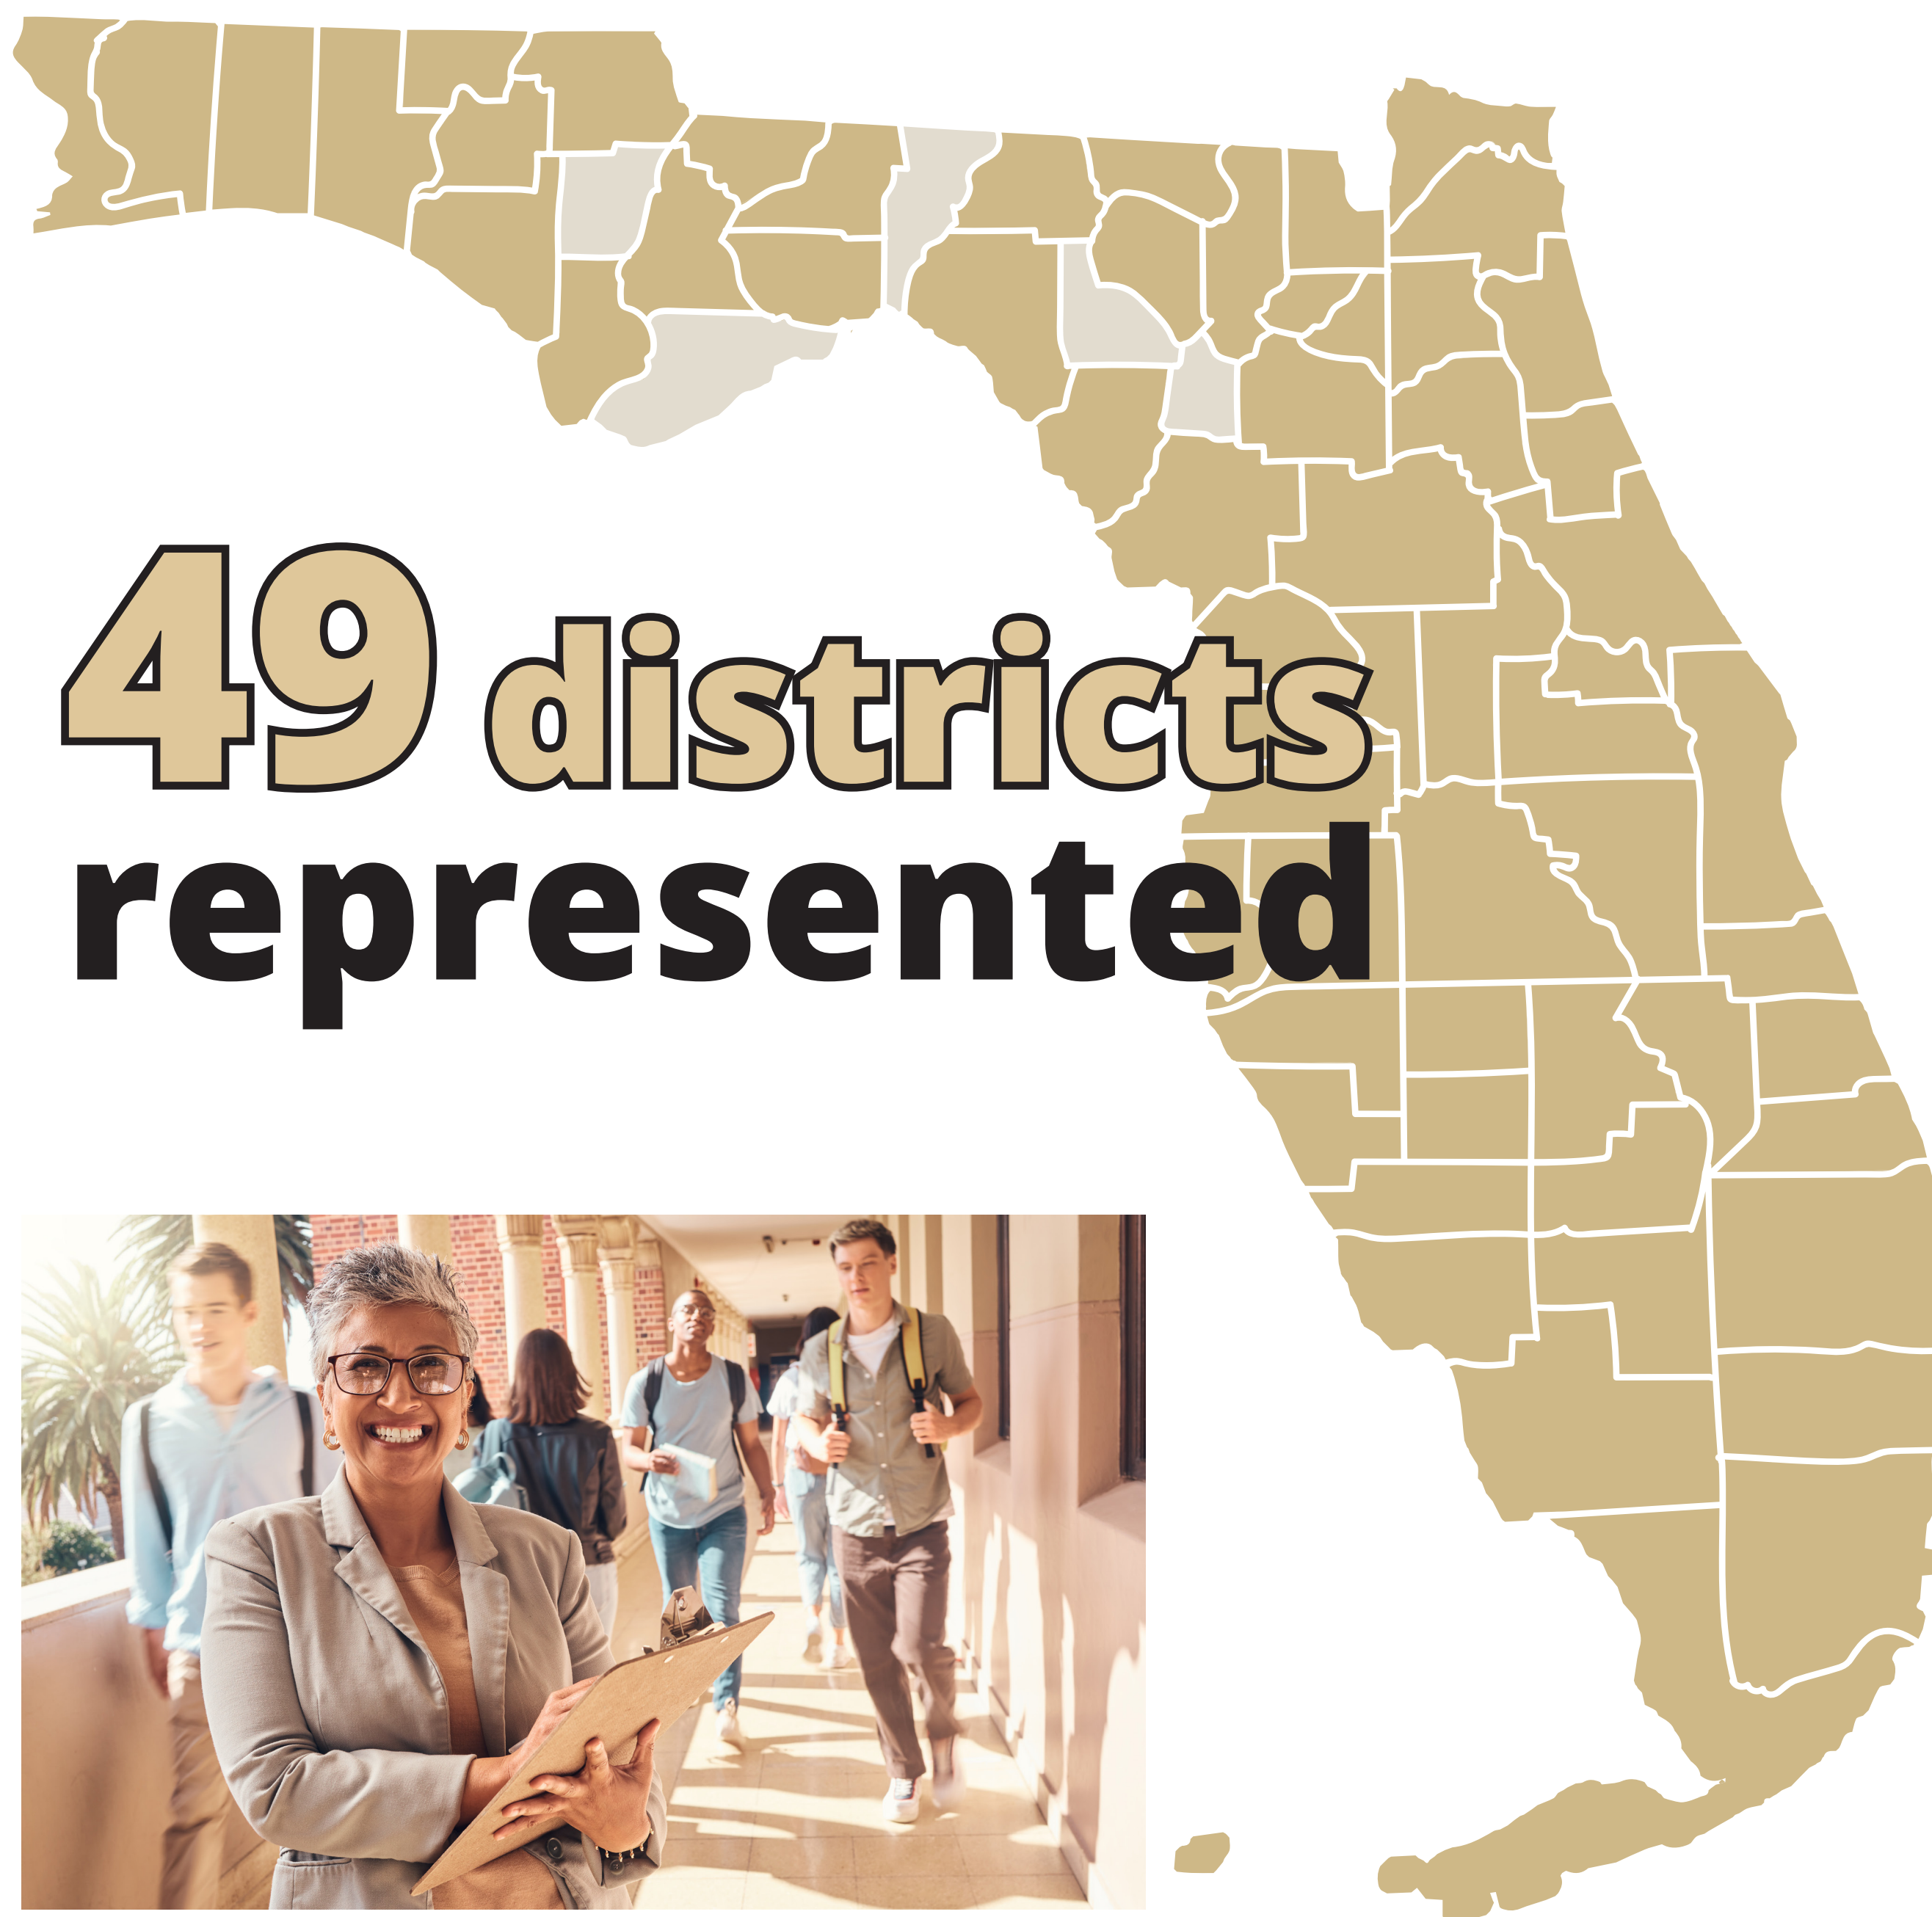

Over
185
School and District Leaders Trained

Goals

1 To build school and district leaders' capacity to implement evidence-based and evidence-informed literacy practices in their schools

2 To help create an environment of collaboration among leaders, coaches, teachers, and others that effectively support literacy learning for all students

"The collegial conversations were helpful for sharing strategies and solutions. The series gave us a step-by-step process for improving our literacy team and for problem solving."
