Objective
The student will read with proper phrasing, intonation, and expression in connected text.

Materials
- Poetry
  Choose books or passages within lower performing students’ instructional-independent reading level range.
  Make two copies of each poem.

Activity
Students read poems with a partner of equal or higher reading ability.
1. Rank students by reading ability from highest performing to lowest performing. Split the class in half and pair the top ranked high-performing student with the top ranked low-performing student. Continue pairing in that order.
2. Provide each student with a copy of the same poem text. Students face each other.
3. Working in pairs, student one (the higher-performing student) reads the assigned poem or a stanza aloud. Student two (the lower-performing student) reads along silently.
4. Student two reads the same poem or stanza while student one assists.
5. Repeat the activity, rereading the poem several times.
6. Peer evaluation
