Objective
The student will blend onsets and rimes to make words.

Materials
▶ Onset and rime cards
  Cards have the words “onset” or “rime” at the bottom of each card.
▶ Paper
▶ Pencils

Activity
Students make words with onsets and rimes by playing a card game.
1. Separate onset and rime cards into two stacks and place face down on a flat surface.
2. Taking turns, students select two cards from the onset stack and one card from the rime stack.
3. Try to make word(s) using the rime card and at least one of the onset cards.
4. If a word can be made, read it, and record it on the paper. When done, return cards either to
the bottom or the middle of their respective piles.
5. Continue activity until all possible words are made.
6. Peer evaluation

Extensions and Adaptations
