Preparation: Record the bold text.

Wait before recording next item to allow student time to fill in answer or instruct student to pause the media player before listening to the next sound.

An Answer Key is provided at the bottom of the page.

On your student sheet you will find 12 pictures. I will now say the name of each one starting at the top and going across. They are: heart, mouse, cap, shawl, book, sheep, cone, kite, cub, gate, pin, moon.

I will say a sound. Your job is to find the picture that has the same medial sound. When you find the picture, you will mark it with a number on your student sheet.

Put a number 1 by the picture that has the medial sound /a/.
Put a number 2 by the picture that has the medial sound /o/.
Put a number 3 by the picture that has the medial sound /oo/.
