**Objective**
The student will identify variant correspondences in words.

**Materials**
- Game board
- Number cube
- Word cards
- Game pieces

**Activity**

**Students read words containing doubled consonants** (ff, ll, ss) **by playing a board game.**
1. Place game board, game pieces, and number cube at the center. Place word cards face up in rows beside the game board.
2. Taking turns, students roll the number cube and move game piece that many spaces.
3. Read word and state target letters (ff, ll, ss) and sound that game piece lands on (e.g., lands on “boss” say, “boss, ss, /s/”). Point to a word card containing the same target letters and sound (e.g., point to and say “class, ss, /s/”). If students cannot read or identify another matching word, go back to original spot.
4. Continue until both students reach the end of the game board.
5. Peer evaluation

**Extensions and Adaptations**
- Make other word cards to use with game.
- Sort the words from the game board.
