**Variant Correspondences**

**Wild Word Dominoes**

### Objective
The student will identify variant correspondences in words.

### Materials
- Wild Word domino cards
  
  *Note: Some dominoes have two matches, connect the dominoes in such a way so all are used.*

### Activity
**Students read words containing silent letter patterns and oddities by playing a domino game.**
1. Scatter Wild Word domino cards face up on a flat surface.
2. Taking turns, student one places the START domino on the table, says the word on the other end of the domino and identifies the silent letter or oddity (w, k, l, b, _ld, _st). For example, student reads, “comb” and identifies that the “b is silent” and finds a domino that says “silent b.”
3. Connects the dominoes (i.e., “comb” to “silent b”).
4. Student two reads the other side of the domino (i.e., “wrestle”) and finds the corresponding domino and reads. (i.e., “silent w”). Connects it to the domino.
5. Continue until all the dominoes are connected.
6. Peer evaluation

### Extensions and Adaptations
