V. 005

Word Knowledge
Abbreviation Match-Up

Objective

The student will identify abbreviations.

Materials

- ▶ Abbreviation cards

Activity

Students match abbreviations to their corresponding words by playing a memory game.

1. Place the abbreviation cards face down in rows.
2. Taking turns, students turn over two cards. Read the abbreviations and words (e.g., lb. and pound). If the cards match, place the matched cards aside. If the cards do not match, return the cards face down in their original spots.
3. Continue until all the cards are matched.
4. Peer evaluation

A grid of 20 empty boxes arranged in 4 rows and 5 columns, set against a green grid background. The boxes are intended for a memory game. Two boxes are pre-filled with text: the second box in the second row contains "lb." and the fourth box in the fourth row contains "pound".

Extensions and Adaptations

- ▶ Use other abbreviations and corresponding words.
