

Distinguishing Details

Objective

The student will identify significant and minor details in text.

Materials

- ▶ Expository text
Choose a one-page passage within students' instructional-independent reading level range.
- ▶ Highlighter
- ▶ Determining Important Details tent card (Activity Master C.016.AM1)
Copy on card stock, cut out, and fold in half.
- ▶ Pencils

Activity

Students determine important details in text.

1. Provide each student with a copy of the text and a highlighter. Place tent card so that each student can read one side. Provide a third copy of the text for students to complete together.
2. Students read or review the entire text independently.
3. Use the highlighter to mark all details (e.g., keywords, phrases, sentences) without marking the entire text.
4. Determine which of those are essential to understanding the text and which details could be ignored without making the text confusing or incomplete. Refer to the Determining Important Details tent card, if necessary.
5. Use a pencil to circle those details that are considered essential or important.
6. Discuss what was circled. Decide together which of these details are essential or important.
7. Use third copy of text to mark agreed-upon details with the highlighter and pencil.
8. Teacher evaluation
