2. Taking turns, student one sets the timer for one minute, selects the top card, holds it up for partner to see, and prompts partner to read the phrase.
3. If all the words in the phrase are read correctly, student one places the card in a pile on the “YES” card. If one or more words in the phrase are read incorrectly, places it in a pile on the “NO” card.
4. Continues until the timer rings. Count the phrase cards in the “YES” pile and record the number on the phrases correct per minute record. Read phrases in the “NO” pile together.
