**Objective**
The student will produce words for categories.

**Materials**
- Game board
- Number cube
- Game pieces (e.g., counters)

**Activity**
Students state words that correspond to categories by playing a board game.
1. Place game board, number cube, and game pieces on a flat surface.
2. Taking turns, students roll the number cube and move game piece the number of spaces shown.
3. Say category (e.g., space things).
4. State three or more words or phrases that correspond to the category (i.e., Mars, moon, and satellite).
5. If correct, leave game piece on the space. If incorrect, place game piece back on the previous space.
6. Continue until both students reach the end.
7. Peer evaluation

“I landed on ‘space things.’ Mars, moon, and satellite are examples of space things.”

**Extensions and Adaptations**
- Make games using other categories.
- Cross out the word that does not belong and label.
Vocabulary
