Objective
The student will produce words for categories.

Materials
- Game board (Activity Master V.029.AM1a - V.029.AM1b)
- Number cube (Activity Master V.013.AM3)
- Game pieces (e.g., counters)

Activity
Students state words that correspond to categories by playing a board game.
1. Place game board, number cube, and game pieces on a flat surface.
2. Taking turns, students roll the number cube and move game piece the number of spaces shown.
3. Say category (e.g., space things).
4. State three or more words or phrases that correspond to the category (i.e., Mars, moon, and satellite).
5. If correct, leave game piece on the space. If incorrect, place game piece back on the previous space.
6. Continue until both students reach the end.
7. Peer evaluation

“I landed on ‘space things.’ Mars, moon, and satellite are examples of space things.”

Extensions and Adaptations
- Make games using other categories (Activity Master V.029.AM2a - V.029.AM2b).
- Cross out the word that does not belong and label (Activity Master V.029.SS).
Vocabulary

START

sports played with a ball

hobbies

green foods

things that are round

books

funny things

shiny things

ways to move

musical instruments

living things

feelings

Go back one space.

Category Tag!

Go back one space.
ways to travel

things to shop for

flying things

things found in a yard

places to explore

weather words

machines

things with a motor

things in space

weather words

entertainment

go ahead one space.

things with feet

vacation activities

go back two spaces.

things that match

noisy things

government words
