

Objective

The student will identify the meaning of homophones.

Materials

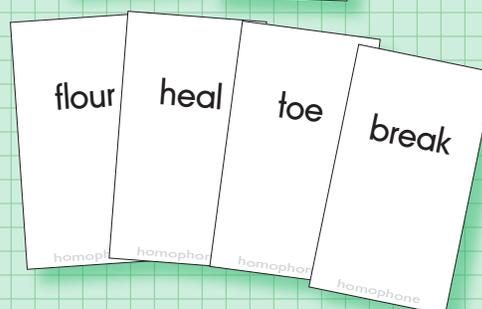

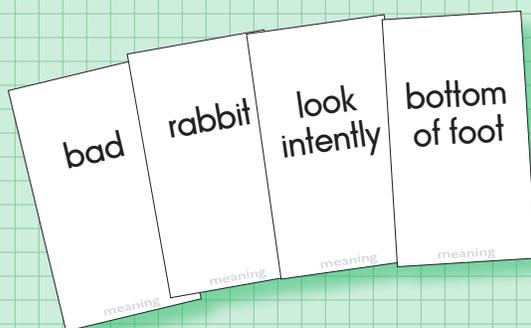

- ▶ Homophone and meaning cards (Activity Master V.007.AM1a - V.007.AM1g)

Activity

Students match homophones with their meanings by playing a card game.

1. Place the homophone and meaning cards face down in two different stacks. Student one selects the top five cards from the homophone stack. Student two selects the top five cards from the meaning stack.
2. Student one asks student two for a matching meaning card for one of his homophone cards. For example, “I have *chilly*, c-h-i-l-l-y, do you have a meaning card that matches?”
3. If yes, student two gives the meaning card to student one who reads both (i.e., chilly, cold). Places match down. Both students select the top card from their respective stacks. If no, student two takes a turn.
4. Student two asks student one for a homophone that matches one of her meaning cards. For example, “I’m looking for a word that means *two of a kind*. Do you have the matching homophone?”
5. Continue game until all cards are matched. Discuss homophones and regroup cards by pairs of homophones and their meanings (e.g., chilly, cold and chili, hot pepper).
6. Peer evaluation

“I have ‘chilly’ which is spelled c-h-i-l-l-y. It means cold.”

Extensions and Adaptations

- ▶ Make other homophone and meaning cards to play game (Activity Master V.007.AM2).
- ▶ Match homophones in a memory game.
