Homophone Puzzle

Objective
The student will produce homophones based on meaning.

Materials
- Homophone clue cards (Activity Master V.008.AM1a - V.008.AM1c)
- Homophone puzzle student sheet (Activity Master V.008.SS1)
  Copy on card stock and laminate.
- Vis-à-Vis® markers
- Answer key (Activity Master V.008.AM2)
  An answer key is provided for optional use.

Activity
Students write homophones in a crossword puzzle by solving clues.
1. Place the homophone clue cards face down in a stack. Provide students with markers and one homophone puzzle.
2. Taking turns, students select a homophone clue card and read the clue. For example, “Everything was half price at the big _____.”
3. Determine the correct homophone, say, spell, and write it in the corresponding boxes (i.e., sale, s-a-l-e).
4. Continue until all the boxes are filled.
5. Peer evaluation

Extensions and Adaptations
- Use homophone clues and word bank and complete puzzle individually (Activity Master V.008.SS2).
- Make other homophone or word puzzles. Note: There are many free puzzle makers available online.
