Objective
The student will produce homophones based on meaning.

Materials
▶ Homophone clue cards
▶ Homophone puzzle student sheet
  Copy on card stock and laminate.
▶ Vis-à-Vis® markers
▶ Answer key
  An answer key is provided for optional use.

Activity
Bold Text
1. Place the homophone clue cards face down in a stack. Provide students with markers and one homophone puzzle.
2. Taking turns, students select a homophone clue card and read the clue. For example, “Everything was half price at the big ____.”
3. Determine the correct homophone, say, spell, and write it in the corresponding boxes (i.e., sale, s-a-l-e).
4. Continue until all the boxes are filled.
5. Peer evaluation

“The homophone that completes the sentence is ‘sale.’ s-a-l-e. I’ll write it in the spaces at one down.”

Extensions and Adaptations
▶ Use homophone clues and word bank and complete puzzle individually.
▶ Make other homophone or word puzzles. Note: There are many free puzzle makers available online.
