Objective
The student will match medial phonemes to graphemes.

Materials
- Letter-Sound Train engine and caboose (Activity Master P.020.AM1)
- Letter-Sound Train cars (Activity Master P.020.AM2)
  Copy six times.
- Construction paper
  Use as the platform.
- Index card
  Label the card with the letter “i”.
  Attach it to the train engine.
- Medial sound picture cards (Activity Master P.020.AM3a - P.020.AM3c)

Activity
Students match medial sounds in words to the target letter on a train.
1. Place the engine, cars, and caboose in a line on a flat surface. Place medial sound picture cards face down in a stack. Place the platform at the center.
2. Taking turns, students select the top card, name it, and say its medial sound (e.g., “duck, /u/”). State the letter that makes that sound (i.e., “u”).
3. Determine if medial sound matches target letter. If it matches, place card on a train car. If it does not match, place on the platform.
4. Continue until all cards are sorted.
5. Peer evaluation

Extensions and Adaptations
- Use other target medial sound cards (Activity Master P.LSC-M.1 - P.LSC-M.13).
- Use target and non-target initial or final objects or sound picture cards (Activity Master P.LSC-I.1 - P.LSC-I.22 or P.LSC-F.1 - P.LSC-F.16).
