**Morpheme Structure**

**Inflection Toss**

**Objective**
The student will blend base words and inflections to make words.

**Materials**
- Base word and inflection grids
- Shallow boxes (e.g., shoe boxes, small plastic containers)
  *Place each grid in the bottom of a box.*
- Two small bean bags
- Paper
- Pencils

**Activity**
Students make words combining base words and inflections by playing a bean bag game.
1. Place boxes side by side with the base word box on the left and inflection box on the right. Place small bean bags at the center. Provide each student with paper.
2. Taking turns, students toss a small bean bag into each box. Say the base word and inflection on which the bags land (e.g., “walk–ing”). Blend them and read the word (i.e., “walking”).
3. Determine if the word is real or nonsense. If real, write the word on paper.
4. Continue until at least ten real words are listed on paper.
5. Teacher evaluation

**Extensions and Adaptations**
