

Objective

The student will blend onsets and rimes to make words.

Materials

- ▶ Onset and Rime Slides
Cut and assemble.
- ▶ Student sheet
- ▶ Pencil

Activity

Students make words using a variety of onsets and a sliding rime strip.

1. Provide the student with Onset and Rime Slides and a student sheet.
2. The student selects an Onset and Rime Slide. Reads the rime (e.g., /ag/). Slides the rime until the first onset can be seen through the window. Reads the onset and rime, blends them, and says the word (e.g., “/b//ag/, bag”).
3. Determines if the word is a real or nonsense word and records it in the appropriate column on the student sheet.
4. Continues until all words are recorded.
5. Teacher evaluation

The illustration shows a student sheet titled "Onset and Rime Slide" with a "Name" field and the code "P.026". It features two columns: "Real Words" and "Nonsense Words", each with 15 numbered lines. A yellow pencil is positioned over line 7. To the left, a sliding rime strip is shown with a box containing the letter 'b' and the rime 'ag'. Below it, another strip contains the onsets 'd fl sh sl cr'.

Extensions and Adaptations

- ▶ Use other Onset and Rime Slides.
