|  | Florida's Reading \& Language Arts SSS\# | Sep | Oct | Nov | Dec | Jan | Feb | Mar | Apr | May |
| Teach, model, and provide opportunities for students to: |  |  |  |  |  |  |  |  |  |  |
| Word Awareness |  |  |  |  |  |  |  |  |  |  |
| Identify the number of words in a sentence. |  |  |  |  |  |  |  |  |  |  |
| Syllable Awareness |  |  |  |  |  |  |  |  |  |  |
| Orally blend and segment three and four syllable words. |  |  |  |  |  |  |  |  |  |  |
| Within-syllable Awareness |  |  |  |  |  |  |  |  |  |  |
| Produce words that rhyme. |  |  |  |  |  |  |  |  |  |  |
| Orally blend onset-rime to make a word. |  |  |  |  |  |  |  |  |  |  |
| Orally segment the onset and rime in a word. |  |  |  |  |  |  |  |  |  |  |
| Phoneme Awareness |  |  |  |  |  |  |  |  |  |  |
| Identify final, and medial sounds in consonant/vowel/consonant (CVC) words. |  |  |  |  |  |  |  |  |  |  |
| Compare CVC words to determine which words have the same initial or final sound. |  |  |  |  |  |  |  |  |  |  |
| Identify the individual sounds in onesyllable words. | 1.1.3.1 |  |  |  |  |  |  |  |  |  |
| Blend the individual sounds in words with three to five phonemes. | 1.1.3.2 |  |  |  |  |  |  |  |  |  |
| Segment single syllable words into individual sounds. | 1.1.3.3 |  |  |  |  |  |  |  |  |  |
| Manipulate the individual sounds in CVC words through addition of a new phoneme. | 1.1.3.4 |  |  |  |  |  |  |  |  |  |
| Manipulate the individual sounds in CVC words through deletion of a phoneme. | 1.1.3.4 |  |  |  |  |  |  |  |  |  |
| Manipulate the individual sounds in CVC words through substitution of phonemes. | 1.1.3.4 |  |  |  |  |  |  |  |  |  |
