On your student sheet you will find 12 pictures. I will now say the name of each one starting at the top and going across. They are: heart, mouse, cap, shawl, book, sheep, cone, kite, cub, gate, pin, moon.

I will say a sound. Your job is to find the picture that has the same medial sound. When you find the picture, you will mark it with a number on your student sheet.

Put a number 1 by the picture that has the medial sound /æ/.
