Objective
The student will segment and blend phonemes in words.

Materials
- Picture cards (Activity Master PA.018.AM1a - PA.018.AM1e)

Activity
Students segment and blend phonemes to make words by playing a picture card game.
1. Place picture cards face down in a stack.
2. Taking turns, student one selects the top card from the stack (without revealing the picture), and orally segments the name of the picture into phonemes (e.g., “/s/ /o/ /k/”).
3. Student two blends the sounds back together to identify the object (e.g., “sock”).
4. If correct, student two keeps the picture. If incorrect, picture card is placed at the bottom of the stack.
5. Reverse roles and continue until all cards are used.
6. Peer evaluation

Extensions and Adaptations
- Sort by number of phonemes.
